

Nestled in the heart of Horsham, with the grounds overlooking the Wimmera River, The Cattle Shed is the perfect venue for your special event.

Step inside and immediately you will feel a special kind of connection to a piece of living history in its rustic surrounds.

Just 3.5 hours from Melbourne and 2 hours from the SA border, The Cattle Shed is Horsham's newest reception venue.

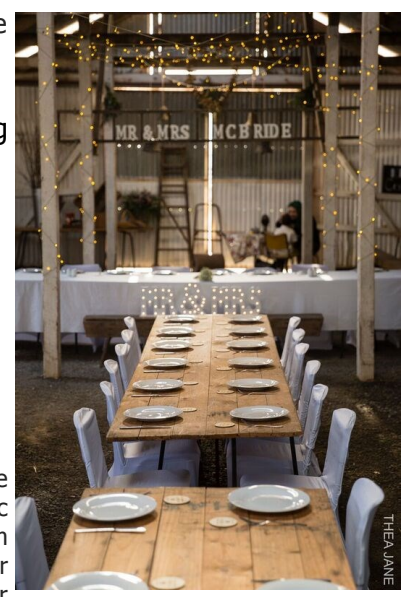

### WEDDING CEREMONY LOCATIONS

The surrounding grounds have several idyllic locations for wedding ceremonies along the Wimmera River, inside The Cattle Shed, in various laneways or around the beautiful old poultry barn. We can help you with pews for seating and much more! Just ask us!

### BACKDROPS FOR PROFESSIONAL PHOTOS

With stunning backdrops, the surrounding stables and rustic buildings at the Horsham showgrounds are available for professional photography shoots for any occasion (appointments necessary).

### CORPORATE CHRISTMAS OR PRIVATE PARTIES

The beauty of The Cattle Shed is that it can be intimate for just 30 people or spacious for 130 people! But you have to see it to believe it. Complete with an outdoor area for warm weather, your options simply continue.

As with wedding receptions, you can BYO food and drinks or we can make recommendations for you.

### WEDDING RECEPTIONS

The authentic vintage timber trestles create part of the rustic atmosphere. Decorate them how you like or we can recommend some designers for you.

While we recommend several local caterers, you are welcome to request your own. The bar can be BYO or we can arrange a licence and manage it for you.

### COME AND SEE

The Cattle Shed was developed from the disused cattle pavilion which used to house the cattle competition for the Horsham Show. In 2016 the competition ceased and it became a storage shed for the Horsham Agricultural Society.

If you're just intrigued with our story, why don't you come and visit? Tours can be arranged for groups of 10 or more. Minimum cost \$50.

*"Wow.... We felt we were in the middle of a paddock. You guys not only gave us free reign but went above and beyond with accommodating us. Our guests loved the venue and were blown away with the atmosphere. A million thanks to you all. Tess & Duncan".*
