

Laneway
CAFE WITHOUT BORDERS

This training has been designed for all people from culturally, linguistically diverse backgrounds or young people with additional needs who would like to gain fulfilling upskilling in the hospitality area.

This Laneway cafe without borders training will be in conjunction with the 150km Feast event.

This event is a fundraiser for the Horsham Agricultural Society that Centre for Participation is supporting. The event will be held on the banks of the Wimmera River at Maydale Reserve Horsham and celebrates local farmers, wine-makers and food producers.

OVERVIEW

In a culturally safe and nurturing learning environment participants will be supported by an individually tailored class plan which consists of the learning of customer service skills, fine dining and table waiting training, food handling principles and hands on experience delivering a fine dining event.

KEY TOPICS

Communication & customer service skills.
Fine dining and table waiting skills
Hygienic Practice for Food Safety.

Best practice and employment practices in the hospitality industry
