Grampians Vinegar is proud to be an agribusiness partner of the 150km Feast

Grampians Vinegar - Rose & Shiraz were introduced to the market by Great Western Granary owners, Anthony & Amanda Kumnick in 2024 who have created exceptional Grampians wine sour!

The Rose Vinegar is an absolute thirst quencher when blended with ingredients to make up alcohol free mojitos on a hot summers day as experienced by guests at Dinner Under The Stars at the 2025 150km Feast.

The Shiraz Vinegar was stirred in with tomato juice to deliver a palate cleanser for guests in between courses at Dinner Under The Stars.

Made in small batches, these delightful artisan vinegars are unique in that they are sugar free, made from grapes grown in Bests Wines vineyards at Great Western in Central Victoria and they are the epitome of exceptional wine sour!

*We are spoiled here in the Grampians to have access to some of the best wine in Australia to use for our vinegar. The relaunch of the Grampians Produce Group will further create abundant opportunities for small businesses to collaborate and showcase the regions high-quality, locally sourced ingredients.*
